CONTEMPLA EDELVIVES

the 1990s, the number of people in the UK who are employed in the public sector has increased from 10.5 million to 12.5 million, and the number of people in the public sector who are employed in health care has increased from 2.5 million to 3.5 million (Department of Health 2000).

There are a number of reasons for the increase in the number of people employed in the public sector. One of the main reasons is the increase in the number of people who are employed in the public sector who are employed in health care. This is due to the fact that the number of people who are employed in the public sector who are employed in health care has increased from 2.5 million to 3.5 million (Department of Health 2000).

Another reason for the increase in the number of people employed in the public sector is the increase in the number of people who are employed in the public sector who are employed in education. This is due to the fact that the number of people who are employed in the public sector who are employed in education has increased from 1.5 million to 2.5 million (Department of Health 2000).

A third reason for the increase in the number of people employed in the public sector is the increase in the number of people who are employed in the public sector who are employed in social care. This is due to the fact that the number of people who are employed in the public sector who are employed in social care has increased from 0.5 million to 1.5 million (Department of Health 2000).

There are a number of reasons for the increase in the number of people employed in the public sector who are employed in health care, education, and social care. One of the main reasons is the increase in the number of people who are employed in the public sector who are employed in health care, education, and social care. This is due to the fact that the number of people who are employed in the public sector who are employed in health care, education, and social care has increased from 2.5 million to 3.5 million (Department of Health 2000).

Another reason for the increase in the number of people employed in the public sector who are employed in health care, education, and social care is the increase in the number of people who are employed in the public sector who are employed in health care, education, and social care. This is due to the fact that the number of people who are employed in the public sector who are employed in health care, education, and social care has increased from 1.5 million to 2.5 million (Department of Health 2000).

A third reason for the increase in the number of people employed in the public sector who are employed in health care, education, and social care is the increase in the number of people who are employed in the public sector who are employed in health care, education, and social care. This is due to the fact that the number of people who are employed in the public sector who are employed in health care, education, and social care has increased from 0.5 million to 1.5 million (Department of Health 2000).

There are a number of reasons for the increase in the number of people employed in the public sector who are employed in health care, education, and social care. El amor fiel

La música
está empezando
a sonar.

La música
está empezando
a sonar.

Fiel a nuestra cita estoy,

La música
está empezando
a sonar.

Fiel a nuestra cita estoy,

con el corazón
a punto
de estallar.

ANA JUMA '14

La música
está empezando
a sonar.

Fiel a nuestra cita estoy,

con el corazón
a punto
de estallar.

Cuando su piel blanca
ilumina la sala

La música
está empezando
a sonar.

Fiel a nuestra cita estoy,

con el corazón
a punto
de estallar.

Cuando su piel blanca
ilumina la sala

ya no existe nada más.

ANSELM KIEFER

La música
está empezando
a sonar.

Fiel a nuestra cita estoy,

con el corazón
a punto
de estallar.

Cuando su piel blanca
ilumina la sala

ya no existe nada más.

Todo está en ella
y, durante cinco minutos,
solo para mí.

La música
está empezando
a sonar.

Fiel a nuestra cita estoy,

con el corazón
a punto
de estallar.

Cuando su piel blanca
ilumina la sala

ya no existe nada más.

Todo está en ella
y, durante cinco minutos,
solo para mí.

Ella lo sabe

AAA 2011

La música
está empezando
a sonar.

Fiel a nuestra cita estoy,

con el corazón
a punto
de estallar.

Cuando su piel blanca
ilumina la sala

ya no existe nada más.

Todo está en ella
y, durante cinco minutos,
solo para mí.

Ella lo sabe

y también que mañana volveré.

ANA JANY
